The Brittany Foundation, Inc. is a 501 C-3 nonprofit dedicated foundation. Our board members and volunteers work tirelessly volunteering their time to keep the foundation running at a minimal cost. Our goal is to donate money to the Brain Tumor Foundation for Children which is located in Atlanta and to donate to families that have a child with a life threatening illness.

The Brittany Foundation is named in honor of Brittany Mincey who is battling cancerous brain tumors. She is the reason that our foundation started the "Ride For A Miracle." It is our wish that every child will have a miracle in their life.
